

A Main Entrance, 3rd Street, Registration and Event HQ. **Enter Here!!**

B Chestnut Street Entrance

C Lab 211C

- Augmented and Virtual Reality, Hosted by the *HU XR Taskforce*
- Vendor Expo Area
- Student Posters

D Breakout Rooms 210B and 210C are available if you need a place for a sidebar meeting

E 2nd Floor Auditorium

- Monday: Army AdvM CoP Annual Meeting
- Tuesday (1300-1400): Executive Panel, Critical Materials for National Security, Moderated by *Critical Materials America*
- Tuesday(1430-1530): Executive Panel, Operationalizing AdvM, Moderated by *Jim Zunino, DEVCOM*
- Wednesday (1300-1400): Executive Panel, Additive Manufacturing of Electronics & Electronics Repair Roundtable, Moderated by *APES*
- Wednesday (1430-1530): Executive Panel, Expeditionary Biomanufacturing, Moderated by *US Army DEVCOM-CBC*

F Lab 216

- Makerspace, Hosted By *Subcomponents Plus*

Floor 3

Floor 2M

Floor 2

Floor 1

G Lab 223, Industrial Applications

- *Phillips Hybrid* and CNC Manufacturing
- Digital Scanning at all Scales, *Direct Dimensions*
- Workspace for the J-DAMMIT Engineering Challenge, Sponsored by *Pantheon and Sentinel*
- CNC Manufacturing from *TRAK MT*
- Hybrid, Big Metal Additive + DMS, Sponsored by *Virginia Tech*

H Lab 2M.01, Additive Manufacturing

- *Homefront Manufacturing* (New Technology Dropping at J-DAMMIT)
- *Kupros* Conductive Material Printing
- *Chicago Additive* AMOS

I Lab 2M.06, Characterization

- *ARIS Technology*, 3D Scanning / Digital Twin

J 3rd Floor Lounge Area, take a break!

K Lab 306, Modeling and Simulation

- *CCAT Training*

L Outside of Lab 329

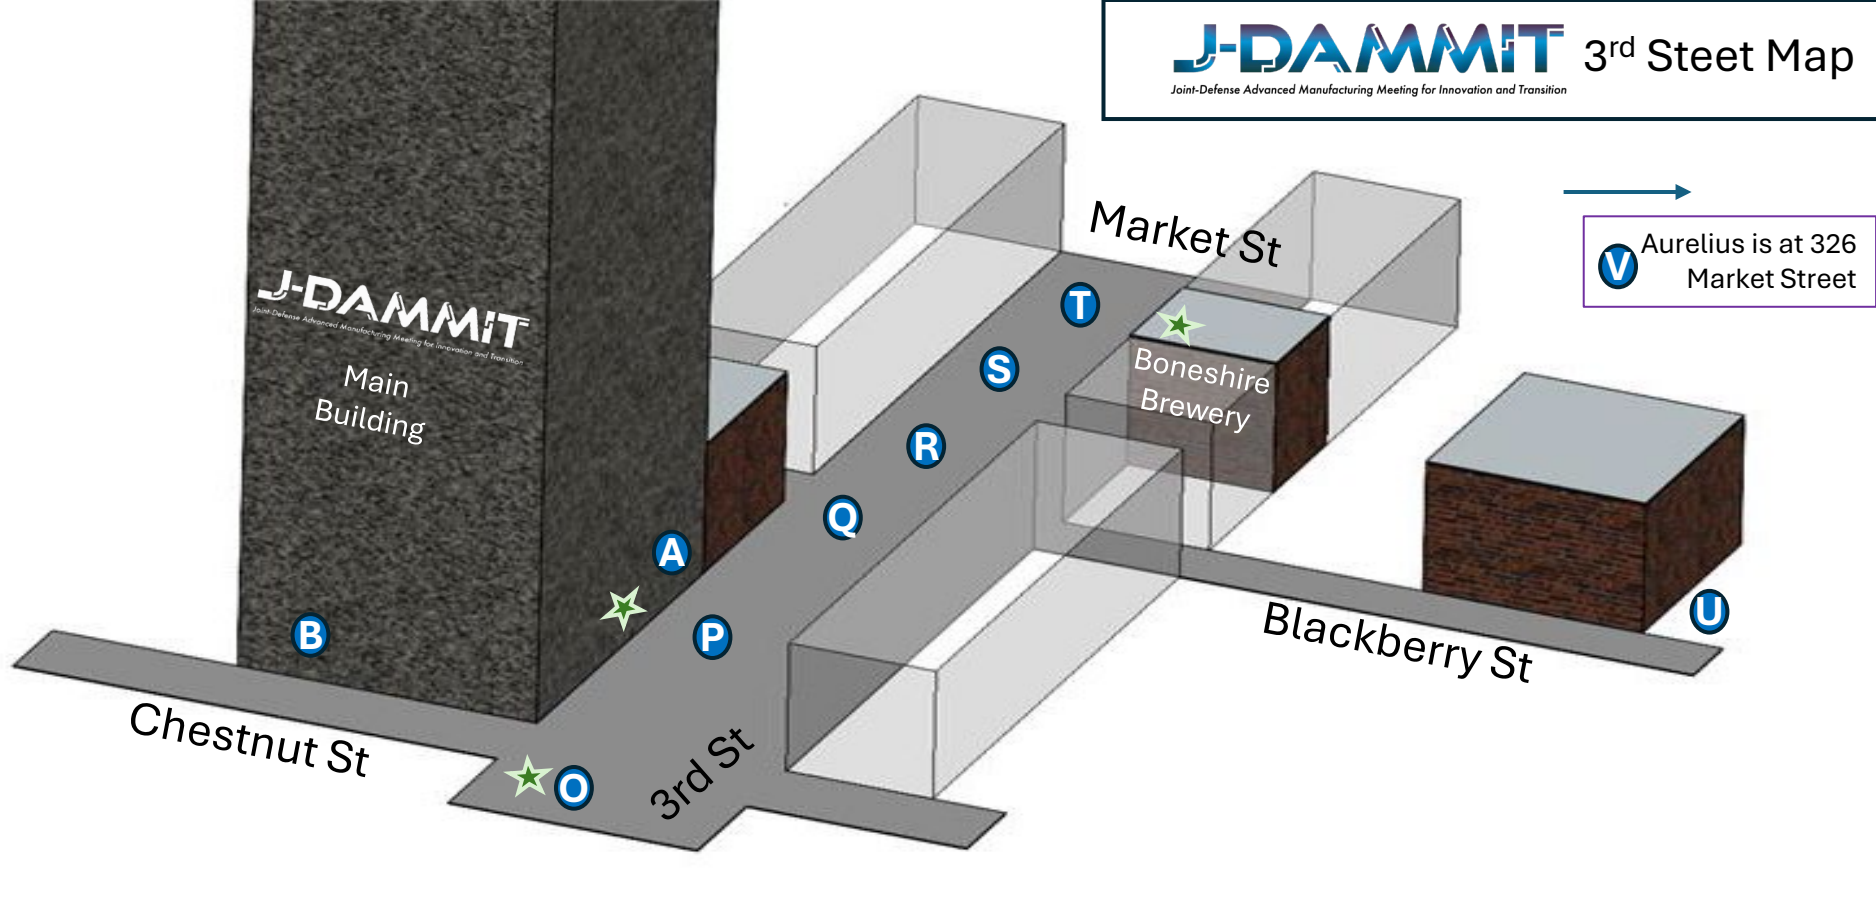

- Get Your Head Scanned, 3D Scanning Demo by *ScanSpex*

M Lab 329, Additive Manufacturing and Robotics

- *Axtra3D*, AM for Injection Molding
- *M5D*, Fuse 1 SLS
- *KVG*, AM for Global Logistics
- *nScript*, Additive Electronics
- *Phillips and EOS*, P110 SLS
- *Stratasys*, Industrial FFF
- *Xact Metal*, Affordable DMLS
- *Phillips*, Robots and Co-Bots
- *Senvol* Machine Learning Software

N Drone Obstacle Course, 3rd Floor Lobby, Presented by *HU Geospatial Technology*

★ - Food/Bev ▲ - Restrooms

- O Food Truck Parking.** There will be different options for each meal!!
- P 3rd Street Stage,** Tents and Outdoor Seating; Street Party Sponsored by *ASTRO America*
- Q Phillips Sponsored AIMMS MWMSS** Expeditionary System with Hybrid Manufacturing Capabilities
- R C2 Configurable Expeditionary Platform,** Presented by *AES2*
- S Additive Manufacturing Evaporative Casting** by *Skuld*; Pour Some Aluminum!

★ - Food/Bev

- T** Experience the **Stratasys Tour Truck** will have Several Industrial Printers on Display, Sponsored by *Stratasys*
- U** *Earlbeck Gasses and Technologies* will Teach Attendees Several **Welding Techniques**
- V** *Aurelius Brain Health & Human Performance* Laboratory focuses on healing chronic Traumatic Brain Injuries, Post Traumatic Stress, Depression and Anxiety. Tour the Hyperbaric Oxygen Therapy, Transcranial Magnetic Stimulation and Performance Training facilities at **326 Market Street**.
