PA Psychostimulant Symposium
December 1-2, 2021
Virtual Event

CME ACTIVITY EVALUATION

Physicians, in order to receive Category 1 credit, please complete this form and sign the Declaration of Credit page. **Information obtained from you regarding the impact of the sessions in meeting your learning needs or practice gaps is critical to the development of future educational programs. Please take the time to complete this evaluation form as completely as possible.** Thank you for your valuable feedback.

Course Outcomes:

1. Articulate the need to implement the identify, isolate, and inform process at a healthcare facility to manage patients under investigation of a highly infectious disease.
2. Articulate the need for the use of checklists while performing practical skills associated with the treatment of a highly infectious patient
3. Demonstrate the following psychomotor skills:
 - a. Donning and doffing of PPE
 - b. Handling of hazardous waste
 - c. Cleaning up of hazardous waste spills
 - d. Collecting and packaging of lab samples
 - e. Use of the Isopod

Were the session outcomes met? If not, please clarify below. 0 Yes 0 No

Comments: _____
